Track E · Klasse 6 · Niveau E

Learning objectives

- *I can give 4-step directions clearly.*
- *I can describe my favourite local place in 5 sentences.*

Lead-in

Sam and Lina meet at the fountain in the market square. The square smells of fresh bread and yesterday's rain. They have one hour before the bus and a list of three errands: the bookshop (a thank-you card), the post office (one stamp, one parcel), and a small bakery that supposedly sells the best apple pastry in town. They argue, briefly, about which to do first.

Practise

- Match place to service.
- Direction fill-in: Go _____ *on*. *At the lights, turn* _____ . *Take the* _____ turning on the right.
- Give a 4-step direction from your school to your home.

Your turn

Pair role-play — *Lost Tourist*. Two minutes. One asks for three places; the other gives multi-step directions. Swap. At the end of each turn, the *tourist* repeats the directions back to verify (active listening).
