

Unit 10 — Travelling by Train

Track E · Klasse 6 · Niveau E

Learning objectives

- *I can understand a station announcement.*
- *I can read a train timetable and find a connection with one change.*
- *I can buy a ticket using polite phrases.*

Lead-in

Sam and Lina are at the station with three large rucksacks. The train is delayed by twelve minutes. They have read every poster on the platform twice. Mr. Flint has bought tea from a small kiosk and looks suspiciously content. "This," he says, "is the proper way to start a journey."

Practise

- From the timetable: which platform for Karlsruhe? When does the train to Strasbourg leave?
- Match: single — one-way; return — round-trip; delayed — late; cancelled — not running.
- Build a ticket-buying dialogue: 8 polite lines.

Your turn

Pair role-play — *At the Ticket Office (Niveau E)*. Two minutes. Customer asks for a ticket, a platform, and the next train; clerk answers. Polite forms.

Reflect

- I can understand a station announcement.
- I can read a small timetable and find a connection.
- I can run an 8-line ticket-buying dialogue.
