

Unit 1 — Transition After Grade 10

Track G+M · Klasse 10 · Niveau G/M

Learning objectives

- *I can read a short text on post-Klasse-10 paths and identify three options.*
- *I can use the third conditional (if I had ..., I would have ...).*
- *I can write a 150-word reflection on a decision I am facing.*

Lead-in

Sam, who is back after a year abroad with his cousins, is sitting in the Klasse 10 corridor. He is reconsidering everything. Maja, who is more decisive on principle, has already chosen an apprenticeship — though she keeps reading Berufsbildung pamphlets just in case. Mr. Yilmaz says, *every Klasse 10 corridor has at least one person re-reading a leaflet they have already memorised.*

Key points

- Form: *If* + past perfect, *would have* + past participle.

Practise

- Build the third conditional: (*if / I / apply / earlier / I / get / a place*) → ____ .
- Match path → action: apprenticeship → contract; FOS → application; gap year → trial work.
- Build 4 third-conditional sentences about a real or imagined past decision.

Your turn

Reflection, 150 words. Write about a decision you are facing or a past one. Use 2 third conditionals + 1 second conditional + 1 *despite/because of*.

Reflect

- I can identify three post-Klasse-10 paths.
- I can use the third conditional with reason.
- I can write a 150-word reflection on a decision.
